3. DEBENHAM SHED

What is Debenham Shed? A place to make things by yourself, with guidance or with others. It could be in metal, cloth, wood or plastic. We have lots of tools and sourcing materials. You may want to repair or make new—the limit is your imagination. It is also for social connecting and friendship building, sharing skills and knowledge, and of course a lot of laughter. Debenham shed is open to all.

Additional sessions are now taking place weekly on Mondays from 9am-12pm and as well as Friday afternoons from 2-5pm, and monthly on Saturday mornings, normally the second of the month. Just turn up if you'd like to join in or have a look.

We will be holding a Ladies' Introduction Day on **Saturday 13 August 10 a.m.-12.30 p.m.** Provisional demonstrations include dyeing, spinning and carving. You can see the Shed and have a tour around 2 Fields. Email chairman@debenhamshed.org.uk for more details or to confirm attendance. More information on the website www.debenhamshed.org.uk, or view the facebook page www.facebook.com/DebenhamShed.
