Thanks to Gay who asked for this message to be included:

What a wonderful time we all had at the village event to open the new playground and to celebrate the fact that we can all have fun together after nearly 2 years of restrictions.

With Rob Rogers, his fellow musicians and vocal soloist entertaining us with a foot tapping musical programme and delicious food, what more could we ask for?

The event exceeded all our expectations and so thank you to the organisers and their volunteers...this will be a hard act to follow.

Gay Clarke.

It is great to see village life and activities starting up again; let's hope they can continue without further restrictions.

If you are organising an event or know of one in the villages, **please tell us** so we can share it.
