

BEDFIELD & MONK SOHAM COMMUNITY

NEWSLETTER 2021/11

24th August 2021

Improving the entrance to Long Green Meadow and the Community Hub

The increased use of the Post Office, the siting of the new play area and the regular coffee mornings have increased the number of cars visiting the site.

We are delighted with the increased use, but we are aware that leaving the Community Hub by car can be difficult. Visibility is not perfect, and to turn left entails pulling out onto the wrong side of the road.

To improve matters, the entrance is to be widened, and the drive and car park surface will be repaired at the same time.

Work is due to start on Monday 30th August and will take around seven days.

Consequently, the main entrance to Long Green Meadow and the Community Hub Field from Long Green will be closed to both pedestrians and vehicles with effect from Monday 30th August 2021 until the work is completed.

All the facilities at the Community Hub will still be available and pedestrian access will still be possible via the old play area and at the north end of the meadow.

FORTHCOMING EVENTS

30 August – 6 September	Entrance to Community Hub closed
Wednesday 1 September, 7:30 p.m.	Bedfield Parish Council meeting*
Tuesday 7 th September, 7:30 p.m.	Monk Soham Parish Council meeting*
