POST OFFICE CLOSURE

The outreach Post Office at the Hub will not operate for the next two Tuesdays, 11th & 18th October due to a staff shortage. It will reopen on 25th October.

The pop-up shop and coffee shop will be open as usual.

BEDFIELD XI FOOTBALL CLUB

We are all delighted that Bedfield has a football team. It takes a huge effort to start a team from scratch, and Clive Tuley and his friends and family have worked very hard to get it off the ground. They have had a very successful start to the season, with every fixture to date being played away from home.

Their first two home games are on Sunday 23rd October and Sunday 30th October. Come and give them your support.

POP-UP PUB

Thank you to all who supported our first pop-up pub. Our huge thanks to Rob Rogers and Emily for entertaining us with some great music. We are planning another one soon, and we would welcome any suggestions or ideas.

INTERNET PROVISION AT THE HUB

Babergh & Mid Suffolk Council have generously accepted our bid to provide internet services at the Hub. More information will follow once it is installed. We have ideas on the potential uses, but we would love your thoughts too. We are very grateful to all those who sent supporting messages on the benefits of internet provision, which were incorporated into the bid.

For more information on any of the above, or to hire the Hub, or to submit items for future newsletters, email bedfieldmonksoham@btinternet.com or you can phone 01728 628046 or 07879 992701
